## FRAU WACKER'S POTATO SALAD

8-10 potatoes, boiled but firm

1 1/2 apples

2 hard-boiled eggs

1 small root celeriac

5-6 gherkins

2 small onions

Seelachs-fisch - a small amount.

Grate all ingredients except Seelachs-fisch into a large bowl. Add the Seelachs-fisch cut into small pieces and mayonnaise already mixed with a little vinegar from the gherkins. Season - a little mustard and horse-radish sauce.

Vary to taste.

We use fewer gherkins and you can substitute a little smoked salmon for the Seelachs-fisch

Das schmeckt!
