The Wilhelmshaven Association.

The Queen has asked me to thank you for your kind message of loyal greetings, sent to mark the Golden Anniversary of Prince Rupert School in Wilhelmshaven, Germany, which is being celebrated by a Reunion in August, 1997.

Her Majesty much appreciated your thought in writing, and learned with great interest of the School's foundation and history. I am to send The Queen's best wishes to you, the alumni of Prince Rupert School, and all those celebrating the Golden Anniversary, for a very happy Reunion weekend.
