

§ 8997  
B

Kardinal v. Galenstr 10B

45721 Halden am See

April 2008

Dear Lois,

you couldn't really call what I've been doing 'Spring cleaning' but, in a sense I've not been in for some time, I 're-found' this badge from HMS Howe which we bought years ago in an antique shop. Before it collects more dust, I thought the PRS Association would have more use for it even if it's to sell it for funds. Some other ex Howe inmates might appreciate it!

I'll send this from Scotland where we'll be staying in May.

With our very best wishes

Christine - Kevin Kischerbaum
