Dear Barbara,

I promised, at Stoke, to see if I had anything to add to your memorabilia. Enclosed are a few bits.

The crest was carved for me in Hanover in 1948. I believe that it is a very accurate representation of the original 'official' design.

I have had some very small and rather yellow photos reproduced. They are numbered as follows:

1. Ian Reynard at the International Scout Jamboree, Paris. 1947
2. Jimmy Jeans and me.
3. Cricket team 1947 (I think that you have this one)
4. John Grosvenor
5. me on John Duxbury's 'Jane' probably 1949
6. Jimmy Jeans (on the helm) and me 1948?
7. Chris George at the Jamboree
8. Riding team. Me (capt), Mike Biggs, Tony Lovelace, Heather Maule. 1948
9. Riding team. Peter Carter, Mike Biggs, Liz Allen, Sheila Cuffe, Michael Boyavel, me (capt) 1948? 49?
10. Drake House football team Back row: Griffiths, ?, Hare, Lovelace, George, Ferris
Front row: me, Longyear, J Kelly, P Kelly, ?.

I hope some of these are of use.

Yours,

Peter Mettyer
